

Conversation With God

Unfortunately, among many Christians today, prayer is more assumed than achieved; it is more preached than practiced. Prayer is too often reserved for crises, rather than done in the sphere of everyday life. Many churches today have been duped into believing that plans, programs, organizations, personal skills, or charisma may be substituted for prayer. Not so! There is no substitute for prayer.

Conversation is a natural part of life, but most people think communication with God through a vibrant life of prayer isn't possible or is only for "Super Christians."

Conversation with God shares spiritual insights and provides a clear path for all people to experience a deeper relationship with God through prayer. You can walk with the Father more intimately than ever before.

***Conversation with God* will help you to:**

- Know the voice of God through constant conversation.
- Participate with God in his love and work for humanity.
- Recognize God's daily presence in your life and commune with him.
- Surrender your needs to God.
- Pray for the hurting, addicted, lonely, broken, hopeless, and lost.

God wants to converse with you, much like speaking with a friend. Prayer is not the vehicle that takes us where we're going; it is where we're going—genuine, engaging, and daily give-and-take conversation with God.
