

Quite often, couples in ministry become so involved in giving to others that their personal lives are neglected.

They miss out on the first part of the biblical principle found in Matthew 10:8, "Freely you have received, freely give."

A Galatians 6:6 Retreat

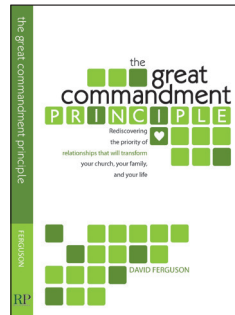

is a time of personal renewal
and encouragement
for ministry couples...

a time to
"freely receive."

Galatians 6:6 Retreats are held in various locations in the United States and overseas through strategic partnerships with denominations, other ministries, individuals and Great Commandment Network churches.

The retreat, accommodations, meals and all materials are a gift from co-sponsoring partners. More than 11,000 ministry couples from around the world have participated in these life-changing, marriage-enriching, ministry-impacting retreats!

Retreat content is drawn from Dr. David and Teresa Ferguson's acclaimed book, *The Great Commandment Principle*.

What others have said about The Great Commandment Principle...

"Profound insights! Culturally relevant! Life changing! *The Great Commandment Principle* is the work of a lifetime with a transforming message. Read it, apply its' message, and your ministry and relationships will never again be the same."

Josh McDowell, Josh McDowell Ministry

"Too long have we as evangelistically minded believers focused on 'being right' instead of loving greatly. Here is a foretaste of a new genre I believe the Holy Spirit is seeking to beget as we step into a new millennium."

Jack W. Hayford, D. Litt., Pastor, The Church on the Way, Van Nuys, CA

"This book is the ultimate game changer in recapturing the most neglected leadership skill in the world; that is the ability to build meaningful lasting relationships that result in much fruit."

Dr. Jay Strack, President and Founder of Student Leadership University
